Cyrsiau Preswyl / Residential Courses

Bu plant blynyddoedd 4 a 5 i ffwrdd ar gyrsiau preswyl ym mis Medi. Aeth blwyddyn 4 i Abercraf ac aeth blwyddyn 5 i ganolfan Danywenallt. Y ffocws yn ystod yr ymweliadau oedd astudiaethau'r amgylchedd. Rhaid llongyfarch y plant am eu hymddygiad a'u hagwedd yn ystod yr ymweliadau—da iawn blant! Gellir gweld lluniau o'r ymweliadau ar wefan yr ysgol—adran y lluniau.

Years 4 and 5 went on residential courses to Abercraf and Danywenallt study centre in September. The focus during the visits was environmental studies. The children were highly praised by the staff of both centres for their behaviour and their courtesy—they were a credit to the school! Photos of both visits can be viewed on the school website.
