Bydd rhaid i'r plant fynd â'r poteli dwr adref bob nos i'w golchi. Rydym yn gwerthu poteli dwr yr ysgol am £2-50.

All pupils are requested to bring water bottles to school next term—water coolers are available to the children in the main corridor during lunchtimes and playtimes. All bottles are to be brought home daily so that they can be washed. School water bottles are sold at the cost of £2-50.

Melin Gruffydd has bought a water well which has been installed in a village in Zimbabwe. A photo of the well will be on the school website during the next few days.
